We specialize in energizing and educating students through one of a kind skits and interactive audience participation elements. The FUNKEY MUNKEY provides humorous antics that create a memorable experience for the students and staff.

We provide first class service that is guaranteed to leave a lasting impression. We switch skits year after year so there is always something new going on.

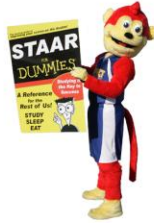

Higher Impact Entertainment is also affordable. Because of our low cost the FUNKEY MUNKEY is able to perform multiple shows at your school throughout the year. Low cost does not mean low quality.
