2012-2013 Educational Assemblies

MISSION:

Dedicated to building positive character in the lives of young people and adults through inspirational instruction and motivational interaction. We invest our financial support, our time, and ourselves into organizations that serve to benefit the community and promote self-development.

About Higher Impact Entertainment:

Founded in April 2011, Higher Impact Entertainment provides family friendly entertainment for non-profit organizations, community events and motivational educational assemblies for schools and churches. Our mascot, the Funkey Munkey performs all over the state of Texas causing everyone to "Go Bananas" as he makes an "impact" everywhere he goes.

FUNKEY MUNKEY

About Rally Entertainment:

Rally is a nationwide traveling sports entertainment group that specializes in hilarious, non stop excitement. Rally began in 2003, after talking with several professional sports teams about the need for quality entertainment that lasts the entire game, is unique, and available at a reasonable price. In 2013, Rally will be in his 10th year performing in stadiums nationwide.

IMPACT

Impress

Every show will leave a lasting impression on students, parents, and staff. Full audience participation allows the students to interact with the message causing it to become more memorable and entertaining.

Hilarious skits that involve students and staff as well as high-energy performances will cause the show topic to be the talk of the campus for weeks.

IMPACT

Motivate

Higher Impact Entertainment's speakers make it easy for those in the audience to understand the topic and connect using personal life stories that offer motivational encouragement.

The commitment to community involvement allows the impact to reach further than any other assembly program.

IMPACT

Positive

Negativity and inappropiate actions are becoming an issue in schools more everyday. Every skit, antic, and game is created to encourage students to be proactive and treat everyone with love and respect.

Laughter while learning allows students to have fun with education. Staying up to date with pop-culture and current events allows the show to change constantly while also keeping it family friendly at all times.

IMPACT

Achieve

Staff and performers aspire to inspire others to be the best they can possibly be. By discussing personal trials, students learn by different examples how they can begin building a brighter future today in their school.

We encourage students to set goals, dream big, and challenge themselves to accomplish great things. By giving examples from history students relate, remember, and are ingnited with the challenges we give them.

IMPACT

Courage

By honoring those who came before us and those that continue to fight for our freedom to learn, have opinions, and most of all the opportunity be become something greater, we stress the importance of building good character and having good values.

There is a serious side to every message. Students will be captivated as they learn the importance of the topic the show is focused around. The fun and games serve a purpose as it gives a memorable illustration that relates to the theme. Students learn that they can be the one to make a difference in their life or someone else's.

IMPACT Together

Through combined efforts, we strive to make working with us an easy and enjoyable experience. The dedication that our staff and performers have allowed us to become one of the top assembly programs today.

We remind students the importance of working together as a team and when they need help, there is always someone there. Together Everyone Achieves More.

The Show

Every shows runs 30-45 minutes. We allow time for improvisation and special performances by the schools per their request. Pictures and autographs after the show are available upon request.

Prices vary throughout the year and discounts are available. We aim to make every show affordable for any budget.
