HIGHER IMPACT ENTERTAINMENT

Higher Impact Entertainment is a national traveling entertainment act that provides hilarious, high quality, morale boosting performances and motivational, educational assembly programs for schools, churches, and community events.

We specialize in energizing and educating students through one of a kind skits and interactive audience participation elements. Our mascot, FUNKEY MUNKEY, provides humorous antics that create a memorable experience for students and staff.

We provide first class service that is guaranteed to leave a lasting impression. We switch skits year after year so there is always something new.

Higher Impact Entertainment is also affordable. Because of our low cost, FUNKEY MUNKEY is able to perform multiple shows at your school throughout the year. Low cost does not mean low quality. We believe that building a lasting relationship with the students and staff allows the performances and messages to have a deeper impact in the community.
